Sehr geehrter Herr Dipl. Ing. Babeluk!

Hiermit gebe ich bekannt, daß ich Herrn Dr. Sarolf Sauer rechtsfreundlich vertrete. Ich bitte, allfällige künftige Korrespondenz ausschließlich zu meinen Händen zu richten.

Mein Mandant übergibt mir Ihre zwei Schreiben je vom 12.02.2001 zur Beantwortung. Zu diesen teile ich mit, daß mein Mandant die geforderten Unterschriften aus den bereits bekannten Gründen - ich verweise auf die Vorkorrespondenz mit RA Dr. Neher - nicht leisten wird. Diese Gründe hat mein Mandant im Juli vergangenen Jahres auch direkt dem Commissioner of Patents and Trademarks in Washington mitgeteilt.

Mit freundlichen Grüßen

Dear Mr. Babeluk:

I hereby declare that I am assuming legal representation for Dr. Sarolf Sauer. I kindly request you forward exclusively into my hands any future correspondence.

PCT application PCT/EP 98/03348

Title: "Process and device for producing glass foils and composite bodies produced thereof"

Applicant: Starshine Glastechnologie GmbH (formerly: Christian Klepsch Glastechnologie GmbH)

Subject: Continuation of PCT application in the US

Dear Dr. Sauer:

As you probably know, we are representing the firm Starshine Glastechnologie GmbH in this PCT application.

You were named as the inventor in this application. We still need the "declaration" signed by you for the continuation of the application in the US (US file number 09/446,137). We ask you therefore to sign this "declaration" at the places marked by pencil and to send it back to us. The issue in this case is merely that you confirm being the inventor of the present subject – there will be no costs for you.

Waiting for your quick response – I remain with best regards,

H. Graf

Dear Colleague:

In the subject mentioned above, I am referring to our telephone conversation of July 7, 2000, and I am forwarding to you in the enclosure the correspondence of the patent attorney H. Graf, Certified Engineer, dated June 27, 2000, including the two declarations for the patent applications to be signed by Dr. Sauer and the power of attorney.

I request the immediate execution of the signature by Dr. Sauer and return (of documents) since the two declarations are to be presented to the US Patent Office not later than August 12, 2000.

Should Dr. Sauer refuse to add his signature, then I request immediate notification and a brief explanation.

I thank you for your efforts and remain with best regards,
